PRESENTS

TAKE OFF YOUR MASKERADE GALA

November 12, 2022

AT THE DELTA HOTELS BY
MARRIOTT GRAND OKANAGAN RESORT

Friends of Mamas for Mamas,

We don't have to tell you that the last couple years have been... unprecedented. The Covid-19 pandemic has had a wide-ranging impact on our community and the impact has been just devastating to so many of our neighbours. It's hard enough being a parent without the stress of housing or food insecurity, but in the last year alone we also saw a 76% increase in domestic violence and kids being removed from their homes as a result. With the added stresses brought on by the pandemic, the need for our services has never been greater. Last year we had to cancel our largest fundraiser of the year 3 weeks prior to our event due to the implementation of Public Health Orders. It goes without saying, this year's gala will be an extra special event as we once again bring together supporters, in-person to raise critical funds for our At-Risk Program.

The past few years have been challenging for our community. Mamas for Mamas rose to the challenge and has continued to be there for those parents who need help navigating eligible resources, applying for social supports, and getting direct intake support while joining this Mamas community that offers a hand up, not just a handout of poverty. With your continued support, we have been able to provide help to:

- 20,359 Mamas/Papas through the At-Risk program to overcome the impact of poverty
- 5023 No-Contact hamper deliveries/pickups
- 78,000lbs of fresh produce and 55,000 farm fresh eggs to families in poverty
- 681 individual mental health cases and over 1500 wellness group participants.

We are thrilled to announce that our **Take Off your MASKeurade Gala will take place on Saturday, November 12th, 2022, at the Delta Hotels by Marriott Grand Okanagan Resort, and you are formally invited to join us as a sponsor.**

In anticipation of the first in person fundraising event in over a year, we are offering the following sponsorship opportunities:
