Invitation to support the 2023 Agriculture for Autism Auction

Ag4Autism online auction with all funds raised supporting
Pacific Autism Family Network, Fraser Valley Spoke
Pacific Autism Family Centre Foundation, registered charity: 82184-5286 RR0001

100% of funds raised provide FREE resources for children and families living on the autism spectrum. PAFN welcomes children and families from all over British Columbia. PAFN has a hub location in Richmond BC, and spokes in the Fraser Valley (Chilliwack), Kelowna and Prince George.

These FREE resources provide families with assistance in navigating the support, diagnostics, autism friendly, medical and dental services, music therapy, technology, life skills, and age-appropriate learning programs.

Since 2014 Saccomaniacs Agriculture for Autism has raised over \$700,000 for PAFN.

The online auction has a reach of 10,000+ with 90% of bidders living in British Columbia. The goal is to raise \$50,000. The items range from gift cards to travel, from bucket list to every day use items.

Our attendees are high net worth business owners, the majority in the agriculture industry, farm owners, or supporting services. Our auction bidders and buyers come from all walks of life.

Our attendees believe in the cause, have seen firsthand the difference the funds raised make, have children, or are related to children, who live on autism spectrum, and believe in paying full retail value or more. Your donation will be well valued. You will make a difference.

Donor Benefits:

Saccomaniacs Agriculture for Autism was founded by Steve and Antoinette Saccomano, who have raised a child on the autism spectrum. In 2008 Steve and Antoinette realized they could assist families struggling to find diagnostics and resources. Since 2008 over \$850,000.00 NET has been raised; since 2014 all of the 700,000.00+ NET funds raised support Pacific Autism Family Network

Thank you for your continued support.
