**MELANOMA**  
CANADA

## WHAT IS MELANOMA & SKIN CANCER?

- Non-melanoma skin cancers are the most common cancer diagnosed worldwide. They are more common than breast, prostate, lung and colon cancers combined
- Melanoma is the deadliest type of skin cancer and diagnoses are on the rise in Canada.
- Melanoma accounts for 4 deaths per day in Canada and is one of the most common cancers diagnosed in young Canadians.
- Early detection is key. If detected early, survival rates are high.

## WHAT WE AIM TO ACHIEVE

Melanoma Canada advocates for and supports Canadians living with melanoma and skin cancer with helpful resources, education, psych-social support services, and more. **We envision a world with zero melanoma & skin cancer related deaths**

## YOUR DONATION CAN MAKE A DIFFERENCE

For over 12 years, Melanoma Canada has provided melanoma and skin cancer education and support services, and been a strong voice for awareness and advocacy.

The demand for our support services continues to grow. With financial support from business leaders and community partners, we can strengthen and expand our programs for patients across the country. You will have a direct impact on the following programs:

### PREVENTION & AWARENESS

- NEW Mole Mobile Skin Cancer Screening Unit
- National youth education sun awareness program
- Physician education programming
- Health-care professional resources

### PATIENT SUPPORT PROGRAMS

- Advocacy for treatment access and health system navigation
- NEW clinical trial finder for melanoma & skin cancer patients
- Melanoma & Skin cancer resources & educational materials
- Patient information sessions
- Direct patient and caregiver support, phone and email
- NEW Cancer Coaching Support
- Peer to Peer Melanoma and Skin Cancer Support Program
- Patient & Caregiver Support Groups

## SILENT AUCTION ITEM OPPORTUNITIES

We invite you to donate an item to our silent auction. Submitting an item shows your company's commitment and support to the melanoma and skin cancer community. Your donation will have a direct impact on Melanoma Canada's programming and support services, and will be recognized at Melanoma Canada's 7 Summits Snowshoe Challenge live and virtual event.

# SUBMISSION DEADLINE

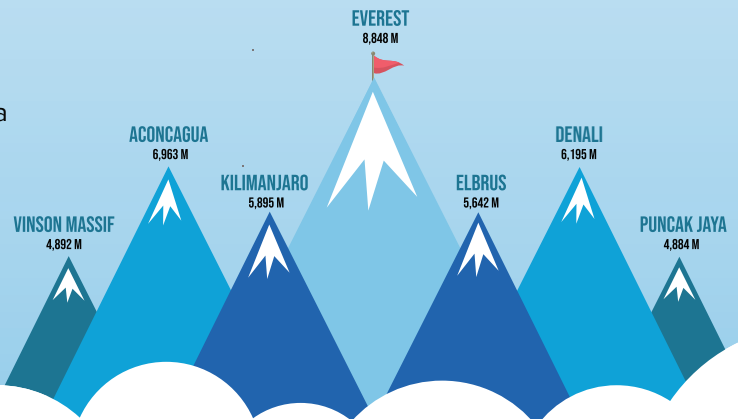

## Friday, February 24, 2023

To submit an item, please complete the attached form to ensure that your item is properly represented at 7 Summits Snowshoe Challenge for Skin Cancer presented by Neutrogena.
