Dear Sir/Madam,

I am writing to you on behalf of The Center for Epilepsy and Seizure Education in British Columbia to reach out to you for a donation for our Pub Night fundraiser.

We are a non-profit organization that provides outreach, client support, and epilepsy awareness not only in this community but province wide. Did you know that 1 in 100 people are affected by epilepsy?

We strive to provide the highest quality programs to benefit individuals who live with or are affected by epilepsy. In addition, we also deliver education programs and workshops that provide information to the public, government and community agencies, schools, and medical professionals about epilepsy.

We would like to invite you to partner with us by donating an item or package for our silent auction at our fundraising pub night in June.

We appreciate any assistance you can offer, and we thank you in advance for your support.

If you have any questions about our organization or the services we provide, please do not hesitate to phone our office at 604-853-7399 or contact me at executivedirector@esebc.ca.

Sincerely,

Laura Cherrille
