

October 11, 2022

To Whom It May Concern,

This letter is to advise you that the BC Cancer Foundation has once again partnered with **Jeepapalooza Association of B.C.** as the benefiting charity of their fundraising event which is happening May 19-22, 2023. We are very pleased to be working with the organizers of this event and with your support we hope significant funds will be raised to help support Immunotherapy research and patient care happening at BC Cancer – Victoria, here on Vancouver Island.

In 2022, the event raised over \$25,000 towards this important work, and we looking forward to meeting – an exceeding – this goal in 2023. The demand for cancer care is unrelenting and we are thrilled to be working with members of our community to meet the needs of British Columbians now and in the future.

If you have any questions regarding the BC Cancer Foundation or our relationship with the organizers and the Jeepapalooza event benefiting the BC Cancer Foundation, please do not hesitate to email me at [sam.snobelen@bccancer.bc.ca](mailto:sam.snobelen@bccancer.bc.ca)

Our charitable business number is 11881 8434 RR0001.

Sincerely,

*Sam Snobelen*
