Dear friends,

The Skate Canada BC/YT Section Athlete Support Fund has offered financial assistance to skaters for more than 30 years. This includes offering bursaries to elite skaters who are attending post-secondary institutions while continuing to compete and represent our province and country.

We have various fundraising projects throughout the year, with our main project taking place at our Annual General Meeting in May. We hold a live auction during our meet and greet evening, as well as a silent auction that ends during our banquet and awards night. The prizes for these auctions are obtained through many sources – businesses, skating families, skating officials and people who just love the sport and want to help our athletes.

We are hoping that you may be one of these businesses or individuals that would be able to donate an item that we could present at our auction. Your business would be acknowledged during this event, on our website – skatinginbc.com, and in a later publication that is distributed to our 118 clubs across BC.

As an organization we understand the importance of doing for ourselves, but we need your help to make our fundraising activities successful. If you are able to assist us with a donation please email us at athletesupport@skatinginbc.com and we will make arrangements with you to receive the item. Or if you prefer to make a tax deductible monetary donation please email us as well.

We strive to have a successful fundraising year so that we can continue to support our athletes financially, so that they can achieve their dreams.

Yours truly,

Lorraine Mapoles
Chair of the Athlete Support Fund BC/YT Section Skate Canada
