

Dear Friend,

I am contacting you on behalf of the Victoria Brain Injury Society (VBIS), a registered charity with the mission of supporting, educating, and advocating for adults with acquired brain injuries. For 40 years, VBIS has offered a comprehensive set of programs, individual case management, and a safe, welcoming space that serves as a home away from home for many clients.

On May 27th, 2023, VBIS will be hosting “An Evening of Black & White, Because Gray Matters”, a gala fundraiser at the Beach House Restaurant. Now more than ever VBIS needs the assistance of its community partners to help us address the challenges faced by our highly vulnerable and expanding client base.

Would you or your business be able to make an “in kind” donation to our auction – or offer a cash donation in lieu of an item or service?

VBIS will provide you with a donation acknowledgment letter, as well as recognition as a supporter of VBIS on the evening of the event, on our website, and on our social media pages.

Our clients and staff would be grateful for any support you may be able to offer. If you have any questions, please feel free to extend them my way. For more information about VBIS and the work we do, you can also visit [our website](#).

I look forward to hearing from you!

With gratitude,

Anna Golovkina (She/Her)
