THANK YOU FROM THE PEOPLE IN OUR CARE

Veterans Memorial Lodge is home to some remarkable individuals.

Tom remembers:

I was a naive 17-year-old when an item in the local paper said the Canadian Navy was looking for recruits. With my mother's approval, I enlisted and found a life of excitement, discovery, and companionship.

At first, I was sent to the base at Naden near Victoria. The mild sunny weather itself was a wonder after years of freezing cold and snow in Regina. There was much to learn. Before you went to sea, you had to know how to run the ship, how to steer the ship, how to set courses and prepare charts. To me, the most interesting and longest courses dealt with communications.

The seriousness of being in the Navy struck me when Canada joined other NATO forces during the war in Korea. I had been reassigned to the destroyer HMCS Sioux. With two other Canadian destroyers, we were responsible for bombarding facilities on the coast, and for chasing enemy ships in the Yellow Sea to prevent them from landing.

They of course fought back, but we were lucky enough to never take a direct hit. It certainly was scary when a bomb or shell fell alongside our ship or we had to dodge

shrapnel ... but not scary enough to make me feel less keen about being in the Canadian Navy. I had been there for 25 years when I retired. I loved it.

We are fortunate to be able to hear the many stories of sacrifice for the freedom we enjoy today. Tom, and all Canada's veterans, deserves the best home we can provide.

THANK YOU FROM BROADMEAD CARE

Thank you for participating in today's event. It is through the combined efforts of our staff, board, volunteers, and donors like you that we are able to provide high-quality care, purchase special equipment and support programs for WWII, Korean War, and Modern Day veterans, and for the seniors and adults with disabilities whom we serve.

Your generous help through the funds raised today will support improvements and equipment purchases at Veterans Memorial Lodge. At Broadmead Care, we are building communities where every person who comes through our doors can experience wellbeing and happiness. We want to help our residents and clients to live as fully as possible.

Veterans Memorial Lodge is being modernized with every project we take on. Your gift will help us provide the very best care and the most comfortable, safe environment for the people who live and work with us, now and in the future.

We are deeply grateful for your contributions. Thank you!

Sincerely,

Heather Parry

TEXAS SCRAMBLE RULES

- A Team Captain has been assigned.
- Any order of play may be used.
- Taking into account age and skill level players should consider the tee to play from that will give them the most enjoyment. To enjoy the day and to maintain the pace of play ideally a foursome will agree as a group on the tee that they will play from and record it to the score card.
- All players are to tee off on each hole.
- After the preferred shot is selected by the team members or the Captain, all other balls must be placed within 6 inches of where the selected ball originally lay.
- If the selected ball is in a hazard, all balls must be played using ball hazard rules.
- On the putting green, all balls must be putted from the spot where the selected ball lay.
- The score of the first ball holed will count. Pick up the remainder of balls in play and move to the next hole.
- Each player's tee shot must be used three times. Mark an X on the score card next to the name of the person whose tee shot is used on each hole.
- If a team is short a player, the remaining players, in rotation, shall play a second ball.
- Turn score cards into the Golf Shop immediately upon completion of the play.
- Only one score per hole. Note: a handicap, individual or team, is NOT to be used when calculating the score on each hole or for the total. This is not a handicap event.
- Tie breaker will be resolved by the Scoring Committee using a count back.
