Gift of Time

At Canuck Place Children's Hospice, we support children and families to live with extraordinary intention. At Gift of Time, we invite you to do the same. Over the past 18 years, the Gift of Time gala has earned the reputation of being one of British Columbia's premier fundraising events and has raised over \$17.7 million to support care at Canuck Place.

Canuck Place is BC's only pediatric palliative care provider and provides the highest level of care to over 830 children with life-threatening illnesses and their families across BC and the Yukon. When a family comes to Canuck Place, the end of the story is already known. But the journey to get there has yet to be written, so we aspire to make the rest of that story the very best it can be. Your investment in this signature event will give short lives the gift of great days.

The 2023 Gift of Time presented by Nicola Wealth will provide the opportunity to align your business with influential attendees from BC's corporate and philanthropic communities.
