Dear Friends,

I am writing to seek your support as we work towards curating a great auction shopping experience at our 27th Annual Gala *Mystery on the Nile*. Happening November 4, 2023 at Hazelmere Golf & Tennis Club, the event will be attended by over 200 people including leaders, business professionals, and friends. Our Silent and/or Live Auction is an exciting part of our gala that attracts a lot of attention from our guests. Last year, local businesses and individuals came together to donate items to our auction that raised nearly \$19,000 for Sources Women's Place.

This year, we will be gathering to raise funds for people needing food and housing security, mental health support, poverty relief, and our Community Living Program. Your contribution in the auction will help us meet our goal of improving the quality of life for individuals living with developmental disabilities, upgrading housing arrangements, and providing meaningful and inclusive life experiences.

All donors will be recognized on our website as a hyperlinked logo and social media. We will also have your company recognized at the dinner gala and in a post-event advertisement in print media.

If you would like to donate, please complete and return the enclosed form to Yasmin at YdeJoya-Pagal@SourcesBC.ca. You can also reach her at 604.317.1288.

Thank you for your consideration.

Much gratitude,

David Young
CEO, Sources Foundation
