

It is with great anticipation that the Southern Medical Program (SMP) is preparing for the **12th Annual SMP Charity Golf Classic** being held at the **Sunset Ranch Golf & Country Club** on **September 10, 2023**. The Southern medical program was launched in 2011 with the intention of benefiting and educating future health care professionals in all regions of British Columbia. Our class is fortunate to learn from and work with a fantastic medical community which includes students, faculty, and physicians in the Okanagan. Together, this SMP community is committed to excellence in medicine, but we are also committed to being a positive presence within the Okanagan. Our golf tournament has provided an excellent opportunity to achieve this goal, having raised funds for local charities and initiatives over the past ten years. However, such an event cannot be undertaken without the generous support of local businesses and community members such as yourself.

In an effort to support the Okanagan's healthcare system, we have chosen to support the KGH Foundation for the 2023 event. Recently, the KGH Foundation has made the bold commitment to raise \$40,000,000 to make a healthcare system that is more innovative, inclusive, accountable, sustainable and accessible right here at home. The KGH Foundation's goal is to address our community's most urgent needs in areas such as cancer care, heart care, women's health, mental health and several others. This work is important, as a strong healthcare system is part of the foundation for a healthy and thriving community. With the help of the Southern Medical Program, the University of British Columbia Faculty of Medicine, and you, we can do our part in helping the KGH Foundation make a better future for all of us and the next generations to come.

To support our tournament we are seeking sponsors. We have several sponsorship tiers available at this time with each tier providing a different reward for the sponsor. If you wish to learn more about the different sponsorship tiers please contact the email below to receive our sponsorship package. In addition, we will also be organizing a silent auction for the attendees. We would welcome any items or services you are able to contribute to this cause. If you wish to donate an item, basket or service for the silent auction, please fill the form attached below by clicking on the link or scanning the QR code.

Sponsorship Inquiries: please email jsangh@student.ubc.ca

Silent Auction Donation Form: <https://forms.gle/uGgavrvQywR9TMQS9>

Our event is expected to draw over 100 supporters and participating businesses will be prominently featured at our event. In addition, each program will contain a "support our supporters" flyer listing contact details for these businesses.

In partnership with local businesses such as your own, we can positively impact the communities of the Okanagan. We appreciate your consideration of support for this cause.

Sincerely,

The SMP 2026 Charity Golf Classic Committee:

Karlee Zaruk, Mikayla Shymka, Laine Grace, Nivan Sharma, Rylen Williamson, and Jai Sanghera
