SCRAMBLE
GOLF TOURNAMENT

LONG BEACH
GOLF COURSE

We invite you to support the West Coast Multiplex 23rd annual golf fundraiser, formerly the Stick in the Mud golf tournament for 13 years. This event raises crucial funds to move forward with our volunteer-based community initiative, to build a regional pool and arena facility.

Together, integrated and cost effectively the Multiplex will be built to offer a wide array of recreation, education, and health for all west coast communities

More exciting information about the West Coast Multiplex is in the attached update.

We are writing to REQUEST your support to sponsor, donate, and/or register for the golf tournament.

We are fortunate for the incredible support local businesses provide towards local fundraising efforts, and we would be delighted to have your support towards this important goal.

Thank you very much for your consideration, sincerely,

West Coast Multiplex
