September 27, 2023

Dear Pacific Coastal Airlines,

Since 1976, MOSAIC has worked to strengthen communities by supporting newcomers building their new lives in Canada. We offer comprehensive programs and services for refugees, immigrants, migrant workers, refugee claimants, LGBTQIA2+ communities, international students, temporary foreign workers, racialized communities and Canadian citizens at multiple locations throughout British Columbia.

Our charity's **MOSAIC for Good** campaign is raising funds to help immigrants and refugees resettle and integrate in BC. Our fundraising goal is \$15,000.

You can help! We look to the leadership and generosity of local businesses to donate gifts or certificates to our silent and live auctions.

Your organization will be acknowledged as a donor for the **MOSAIC for Good campaign** with:

- Name/logo recognition and description in the online auction
- Name/logo recognition and description in the auction program
- Name/logo recognition and description on the auction presentation table

Thank you for your kind consideration of our request to help immigrants and refugees thrive in Canada. For more information about MOSAIC, please visit <https://www.mosaicbc.org/>.

Together, our impacts are felt in families and neighbourhoods throughout BC, Canada, and regions of the world where people are seeking freedom.

Yours truly,

Anna Solodkova
