To Pacific Coastal Airlines,

On behalf of the Williams Lake U18 T2 Rep Hockey Team we are requesting your support for our upcoming 2023/2024 hockey season.

We are wondering if Pacific Coastal Airlines would be interested in donating some return airfare for a calendar fundraiser our U18 Rep team will be hosting this season (Calendar raffle for the month of November). Funds raised are used to make rep hockey as affordable as possible, due to our location in the province, we are required to travel quite extensively for us to gain competitive games. This year will also have added expenses for our team, as we our team will be attending an international hockey tournament in Richmond over the Christmas holiday break. We feel this type of hockey is an amazing teaching tool, both in sports and in life. We set high standards for our athletes and believe that this will help them to be positive contributing citizens in our city for many years to come.

Thank you very much for your time and consideration.
