Dear Representative,

The Castlegar & District Chamber of Commerce will once again be hosting the Chamber Annual Business Excellence Awards, on Saturday November 4th, 2023 at the Castlegar & District Community Complex. The evening consists of an awards ceremony, dinner and silent auction. Many attend this gala event as we celebrate those who have demonstrated business distinction within our community and surrounding area.

We would like to inquire if you would consider donating a gift certificate for our silent auction table. For your donation, your airline will appear on all promotional materials, the evening brochure and post event thank you advertisement.

If you would like to take this opportunity to donate we would greatly appreciate it. If you have any questions please contact our office directly at 250-365-6313 or cdcoc@castlegar.com.

Sincerely,

Ashley Costa
