

KPU LEGACY GALA

Forward Together

On April 29, 2023, the KPU Foundation and Presenting Sponsor BM Group will host our first annual KPU Legacy Gala at the Sheraton Guildford.

This new event will bring together a select gathering of alumni, university leaders and members of our community who believe that education, and in particular a polytechnic education that focuses on experiential learning, is critical to our collective social and economic well-being.

Join us for an elegant, entertaining and inspiring evening that both celebrates KPU's first 40 years (1981-2021), and

showcases the exceptional people and programs that make this university a force for change going forward.

Through stories of impact shared that evening, learn more about our university and help us to support hundreds of students with much-needed and appreciated scholarships, awards and bursaries. Let's go forward together and support what is possible!

Join Presenting Sponsor BM Group and Platinum Sponsor KPU Alumni Association in helping the KPU Foundation to launch the first-ever KPU Legacy Gala.
