

Live Auction Donation

The annual **Richmond Hospital Foundation Golf Tournament, presented by Gulf & Fraser**, brings together business and community leaders and philanthropists who share the same vision of improving health care for patients and families in Richmond.

The 2022 generous tournament donors raised \$300,000 and fully funded the purchase of five new state-of-the-art ECG machines as well as provided additional support towards the Trio of Life Campaign.

On **Monday, June 5, 2023**, 144 players will again come together at Richmond Country Club's pristine fairways and greens for a day of fun and philanthropy. Our joyous day finishes off with 100+ additional guests joining us for dinner, exciting silent and live auctions, and our annual **Fund-A-Need fundraiser to fund vital equipment for the Emergency Department at Richmond Hospital** and enhance health care in Richmond.
