Pacific Coastal Airlines
4980 Cowley Crescent,
Richmond, B.C. V7B 1C1

Dear Pacific Coastal Airlines,

We are pleased to announce that, together with our Signature Sponsor Kootenay Savings, the KBRH Health Foundation will host the **2023 Golf Classic at Birchbank Golf**. We are grateful for this partnership as we focus our fundraising efforts on some of our most vulnerable patients – tiny babies.

This year's tournament will support the Tier 3 Neonatal Intensive Care Unit (NICU) at KBRH, providing neonatal services to newborns at ≥ 34 weeks and ≥ 1800 g or 4 pounds, who present moderate risk requiring acute care or those born at 32 weeks and 1500g or 3.3 pounds, with appropriate weight for gestational age. The NICU will provide 3 nursery beds and 24/7 nursing, has facilitated recruitment of a new Pediatrician and brings a new level of healthcare service to our community.

The NICU project requires \$700,000 of funding and \$150,000 is outstanding. Your support of the Golf Classic will bring us one step closer to meeting our goal, allowing mothers and babies access to appropriate, safe and quality care closer to home.

The **KBRH Health Foundation Golf Classic is Friday July 21st, 2023** at Birchbank Golf and we have a full day planned in support of the Tier 3 NICU at KBRH. If you would like to sponsor the tournament by providing a prize to be used in the auction or raffle, please refer to the attached Sponsorship Levels document. A unique marketing platform is provided for each level and our Foundation is committed to maximizing your company's marketing exposure at this event. Your contribution will help meet the fundraising goal for the Tier 3 NICU at KBRH and support preemies and their families during a very challenging time.

Thank you for considering support of the KBRH Health Foundation's Golf Classic and the Tier 3 NICU. Together, we will build a stronger healthcare system for families across our region and beyond.

Sincerely,

Lisa Pasin, Executive Director
KBRH Health Foundation
